

*“Because of the number of technology companies in this region, Northern Virginia needs a first-class teaching and research university in the study of science and engineering. My wife, Sara, and I decided to invest in George Mason’s School of IT&E because we believe President Merten, Dean Griffiths and other capable Mason faculty and administrators are creating an outstanding learning environment. We are honored to be a part of this effort.”*

—Dr. Ernst Volgenau, Chairman, SRA International Inc.

# The Volgenau School 2010 BUILDING CAMPAIGN
