

Grading on Presentation

Please consider the following when giving your grades

- Are the ideas clearly presented?
- Are the presented materials well organized?
- Do you learn something from the presentation (even if what you learn is not very useful)?
- How are questions answered?
- Overall, is it a good presentation?

Possible grades: A+, A, A-, B+, B, B-, C, D, F.

	Presenter	Grade on Part 1: Method Investigation (30%)	Grade on Part 2: Design & Testing (20%)
