BS/ACCELERATED MS PROGRAMS

Undergraduates majoring in a Volgenau School program and maintaining a high overall GPA may apply to the five-year accelerated BS/MS program. The accelerated BS/MS in Volgenau School fields can be completed in approximately 144 credits. Students apply during the semester in which they will complete 90 hours toward the bachelor’s degree. Criteria for admission are similar to those for the associated graduate program.

Benefits
- Enjoy a streamlined application process with no application fee.
- Apply six graduate credits to undergraduate and graduate degrees simultaneously.
- Take an additional six (6) graduate credits to be held for reserve graduate credit (these apply only to the graduate degree).
- Start graduate degrees with up to 12 credits earned while an undergraduate.

When to Apply
Mason undergraduate students who have completed at least 90 credits toward a VSE bachelor’s degree may apply to the Accelerated Master’s program. Applications must be received and approved before a student begins their final semester in which they intend to graduate.
