

**School of IT&Engineering
Request for Graduate Assistant Waiver**

This is to request waiver of student tuition by the School of IT&E. This student is determined to be eligible for such waiver because he/she is in good academic standing, is making progress towards completion of the MS or PhD degree, is enrolled for a minimum of 6 credit hours per semester and meets all other applicable School and University criteria.

_____ This student is being supported by **sponsored research**, and tuition is _____ prohibited by the sponsor or _____ paid under a pre-approved cost-sharing agreement (ATTACH).

_____ This student is a **teaching assistant** or a Dean-assigned special graduate research assistant and is eligible for a School tuition waiver.
